

10 Year Limited Warranty

MSF Skylight Warranty

Dayliter Metal Self Flashing Skylights are warranted against manufacturer's defects for a period of ten (10) years from date of purchase. In addition, they are also warranted not to leak water for a period of ten (10) years from the original purchase date. Condensation does not constitute a leak and is not covered in this warranty.

Not covered under this warranty are yellowing or loss of light transmission caused by dirt, scratches, chemical pollutants, petroleum based cleaning solutions, breakage or damage caused by mishandling, abuse, falling objects, hailstorms or other severe weather conditions. During prolonged periods of humidity and temperature differentials, acrylic skylights might accumulate moisture between the skins. Condensation must be expected from time to time, however, it will quickly dissipate with a change in the above conditions.

The sole liability of Dayliter Skylights in respect of Dayliter brand skylights shall be limited to the replacement thereof. Dayliter Skylights shall have no liability under any circumstances for the cost of or associated with the removal of defective skylights, shipping costs, or the installation of replacement skylights, or for any injury or damage to persons or property, or for indirect, incidental, or consequential damages or economic loss. Any addition or alteration to the Dayliter skylight voids the warranty.
