

Acrylic Skylight (MSF):

Dayliter Skylights manufactures skylights for:

-Recreational Vehicles & Modular Homes - with our Metal Self Flashing (MSF) skylights

MSF skylights are available in both ACRYLIC and GLASS. Our acrylic MSF skylights are available in the standard low dome or one of our architectural shapes.

Our glass MSF skylights are available in LoE3 argon gas filled (tempered) (laminated) (satin etch) glass.

MSF skylights are available as fixed units only. Standard cap is available in Rideau Brown, Black or Arctic White. Custom colors available. Contact us for details.
