

Dayliter Skylights manufactures skylights for:

- Residential use - with our Vinyl Curb Mount (VCM skylights
- Commercial use - with our Aluminum Thermally Broken curb mount (ATCM) skylights
- Recreational Vehicles & Modular Homes - with our Metal Self Flashing (MSF) skylights

VCM skylights are available in both ACRYLIC and GLASS. Our acrylic VCM skylights are available in the standard low dome or one of our architectural shapes.

Our glass VCM skylights are available in various glazing options, such as Low E2, Low E2 with Argon, and Heat Mirror (TC88)

VCM skylights can be either fixed or venting (opening) with Truth brand integrated hand crank, pole, or electric operators. Standard cap is available in Rideau Brown and Arctic White. Custom colors available. Contact us for details.
